Dear parents and carers

Re: raising awareness about the sexual exploitation of young people

As you may be aware, we invited into school a drama company (with counsellors/advisers) to help us raise awareness about sexual exploitation among our Year 9 students.

On Friday 12 December we have invited into school a victim of sexual exploitation who (now as an adult) is a published author and adviser to central government on sexual exploitation.

This visitor will speak to our Year 10 students during period 1 and our Year 11 students during period 2. She is also willing to speak to parents during period 3 (at 11.00).

Please feel very welcome to join us if you would like to be better informed or advised on this issue which threatens so many young people across the nation.

Our hope is that these visits will contribute to keeping our young people safe.

Yours faithfully

P. Cummings
