

April 2018

Dear parents and carers

OFSTED Inspection March 2018

We write to notify you of the outcome of our recent inspection, which took place on the 7th and 8th March, just prior to our school joining LEAP Multi Academy Trust.

The inspection team noted the strong pastoral care that is offered to students, and the good behaviour in lessons and during social times. They also commented positively on improvements in Science, in the work of the governing body and in leadership of the sixth form.

The overall judgement was a grade 3, as it was at the previous inspection in March 2016, with a grade 2 awarded for Personal Development, Behaviour and Welfare. The full report will be available on the Ofsted Website from Monday 16th April 2018.

Working with LEAP Multi Academy Trust, we will move swiftly to address any area where we are not yet good/outstanding in order to ensure the best possible experience and outcomes for our students.

Many thanks for your continued support.

Best wishes

A. Burgess
Interim Principal

W. Barsby
Executive Principle
