

3rd May 2017

Dear Parent / Carer

**Higher Education Evening
Thursday 15th June 2017
6:30pm – 8:00pm
Post-16 Centre**

I would like to invite you to the above event which is designed to give parents and students the opportunity to gain information about the process of applying to higher education institutions in the next academic year.

The evening will consist of presentations by staff and outside speakers on the application process and on the financial implications of going to college or university. At the end of the evening there will be the opportunity to meet the school's higher education counsellors, who will be giving advice during the application process.

Further information on alternative routes post-16 will follow in the coming weeks.

Light refreshments will be available after the presentations.

We hope you can join us at the start of the process of planning for the next step of your child's education.

Yours faithfully

C. Wright
Leader of Student Development
