

September 2018

Dear Parent / Carer

We would like to invite you to the Safe and Well Being Evening at Eckington School on Wednesday 26th September. It is open to years 6, 7 and 8 parents.

It starts at 6.00pm and should end at 7.30pm and will be located in the Foundation Year Hall.

The Safe and well Being Evening has been extremely well received by parents previously and especially where parents have less knowledge of social media than their children.

The ever changing challenges of social media and pressure on young people can pose tremendous risks to young people.

At Eckington School we continue to strive to maintain high standards of safeguarding and child protection and the following workshops will be available on the evening:

- Self-Harm - Marie North (From Children and Adolescent Mental Health Service).
- Living with Teenagers - Dawn Priestley and Anthea Vickers (From the Multi-Agency Team).
- Sexting and Internet Safety – Mel Hagues and Jonathon Flowers (From the Multi-Agency Team).

If you would like to attend the Safe and Well Being Evening please complete the slip below and return it before Monday 24th September.

Places are limited so it will be on a first come basis for seats.

Yours sincerely

Nikki Turner
