

5th June 2018

Dear Parent/Carer

Year 7 Languages Options for September 2018

In September, there will be two modern foreign language choices for Year 7 students, French and German. All students will study one of these languages as part of their weekly curriculum.

The new intake will be split into two halves – one half will be taught French and the other half will be taught German. If you have a preference please contact the relevant e-mail address stating your child's name, primary school and for absolute clarity the language they wish to study by **Friday 30th June** to express your choice. When we are creating the timetable we will try to accommodate this preference as far as possible, however it is not guaranteed.

E-mail addresses are as follows;

french@eckington.derbyshire.sch.uk

german@eckington.derbyshire.sch.uk

You will receive an automated response, but it will not be possible to reply to individual questions from these e-mail addresses.

We hope that your son or daughter is looking forward to joining us at Eckington School in September. If you have any queries regarding languages, then please do not hesitate to contact us.

Yours faithfully
